## II International Scientific and Practical Internet Conference

# PROBLEMS AND ACHIEVEMENTS OF MODERN BIOTECHNOLOGY

May 20, 2022

The conference is included in the Register of Congresses, Congresses, Symposiums and Scientific and Practical Conferences at the Ukrainian Institute of Scientific and Technical Expertise and Information, certificate № 576 dated August 2, 2021

### Conference organizing committee Members of the organizing committee:

**Kotvitska A.A.** - Doctor of Pharmaceutical Sciences, Professor, Honored Worker of Science and Technology of Ukraine, Rector of the National University of Pharmacy (Chairman);

**Fedosov A.I.** - Doctor of Pharmaceutical Sciences, Associate Professor, Chief Vice-Rector for Scientific and Pedagogical Work of the National University of Pharmacy (co-chair);

**Vladimirova I.M.** - Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Scientific and Pedagogical Work of the National University of Pharmacy, Professor of Pharmacognosy (co-chair);

**Khokhlenkova N.V.** - Doctor of Pharmaceutical Sciences, Professor, Head of the Department of Biotechnology, National University of Pharmacy (co-chair);

**Rybalkin M.V.** - Doctor of Pharmaceutical Sciences, Associate Professor of Biotechnology, National University of Pharmacy;

**Kaliuzhnaia O.S.** - Candidate of Pharmaceutical Sciences, Associate Professor of the Department of Biotechnology, National University of Pharmacy;

**Dvinskykh N.V.** - Candidate of Pharmaceutical Sciences, Associate Professor of the Department of Biotechnology, National University of Pharmacy;

**Azarenko Yu.M.** - Candidate of Pharmaceutical Sciences, Associate Professor of the Department of Biotechnology, National University of Pharmacy.

### Secretary of the organizing committee:

**Dvinskih N.V.** - Candidate of Pharmaceutical Sciences, Associate Professor of the Department of Biotechnology, National University of Pharmacy

## Dear colleagues!

## Requirements for abstracts

We invite you to participate in the **II International Scientific and Practical Internet conference "Problems and Achievements of Modern Biotechnology"**.

**Theme of the conference** covers the following areas:

- Pharmaceutical and medical biotechnology, promising biologically active substances
- Food biotechnology, healthy food
- Ecological biotechnology, environmental technologies
- Biotechnology in crop production, animal husbandry and veterinary medicine
- Modern biotechnology for the national economy
- Development, production, provision and quality control of medicines
- Microbiological research at the stages of development, production and quality control of food, veterinary and medicinal products
- Organizational and economic aspects of biotechnological and pharmaceutical enterprises in modern conditions
- Marketing research in biotechnology and pharmacy
- Theory and practice of training higher education students specialty "Biotechnologies and Bioengineering".

**We invite to participate in the conference:**

- researchers, masters, postgraduate students, employees of biotechnology and pharmaceutical companies and firms, teachers of higher education institutions.

**Form of the participation:**

- Publication of abstracts
- Oral presentations (online)
- Publication of abstracts + oral presentations (online)

**Working languages of the conference**

Ukrainian, English.

**Registration of participants and submission of materials by May 15, 2022 :**

- [by registration link](#)

All conference participants will provide with:

- **certificate of participation in the event (8 hours),**
  - **conference program,**
  - **proceedings book,**
- which will be posted on [website](#).

- volume 1-2 full pages of text in MS Word format \*.doc or \*.docx, A4 (210x297 mm), orientation - portrait, font Times New Roman;
- all margins 2 cm, line spacing 1.5;
- heading::
  - first line - name (bold, size 14, center alignment);
  - second line - the name of the authors (bold, size 14, center alignment);
  - third line - organization, city, country, e-mail (size 12, center alignment);
- main text: one line after the title (size 14, alignment in width, paragraph indents 1.25 cm (set automatically);
- place pictures in the text, text wrapping - top and bottom, alignment - in the center. Under the figure indicate its number (Fig. 1.) and name (size 12, center alignment).
- execute tables using Microsoft Word functions, above the table provide its number (Table 1.) and name (font size 12, center alignment). Font size in tables - 12, interval - 1;
- use the internal Microsoft Word formula editor for formulas;
- one file must contain one abstract, file names must correspond to the first author (for example, Kramarenko IMdoc). If several abstracts of one author are submitted, the files are numbered in Arabic numerals (Kramarenko IM.1.doc).

Materials will publish in the author's edition. The author is responsible for the quality and content of publications.

[Example of abstract](#) (download file from google disk)

**Attach the electronic version of abstract while filling in the registration form.**

The results of registration and receipt of materials can be tracked by following the [link](#) .

**Participation in the conference and publication of abstracts are free!**
